ACTIVITIES

Kingdom Quest Laser Ride

Jump into your chariot and use your laser skills to zap trolls and skeletons. The better your aim, the higher your score!

Record your score & the scores of two of your friends below. Then, find the median score and circle it.

Hint: The median score is the middle score when they're in numerical order.

LEGO® Racers: Build & Test

Use the special wheels and axles in the LEGO® Racers: Build & Test zone to complete the following challenge.

Create a car that's built for SPEED and race it against your friends on our track. Keep trying until you build the fastest car!

Tip from our Master Model Builder: Add more weight just in front of your back wheels to get the speed you need!

Creative Workshop

Visit the Model Builder Academy and participate in the activity of the day! Write two sentences about what you learned below:
