IMPORTANT INFORMATION

Service Animals

LEGOLAND Discovery Center Philadelphia welcomes service animals to accompany guests with disabilities in all areas where members of the public are allowed to go. A service animal is defined as any animal individually trained to do work or perform tasks benefitting an individual with a disability, including emotional, physical, sensory, psychiatric, and intellectual or other mental disabilities.

Service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents them from using such devices. If at any time your service animal's behavior is out of control, you will be asked to remove your service animal from the premises.

Service animals are permitted on Imagination Express or may be left with a non-rider of your group.

Family/Companion Restrooms

All of our restroom facilities are wheelchair accessible. For your convenience a family/companion restroom is located adjacent to our men's and women's facilities.
