

# Different Types of Movies

Can you think of a movie example for each genre? Write it in the box!

Action

Comedy

Fantasy

Drama

Mystery

Science Fiction

# Writing a Script

Where is the story set?

Who are the main characters?

Who is telling the story?

What happens in the story?

Is there a challenge or problem for the main character(s) to overcome?

# Designing Your Film Set

You can create a film set using a variety of backgrounds. First consider what kind of movie you are making – drama, space, fantasy, adventure – and then have a look see what you think would work well.

Using your playground as a set

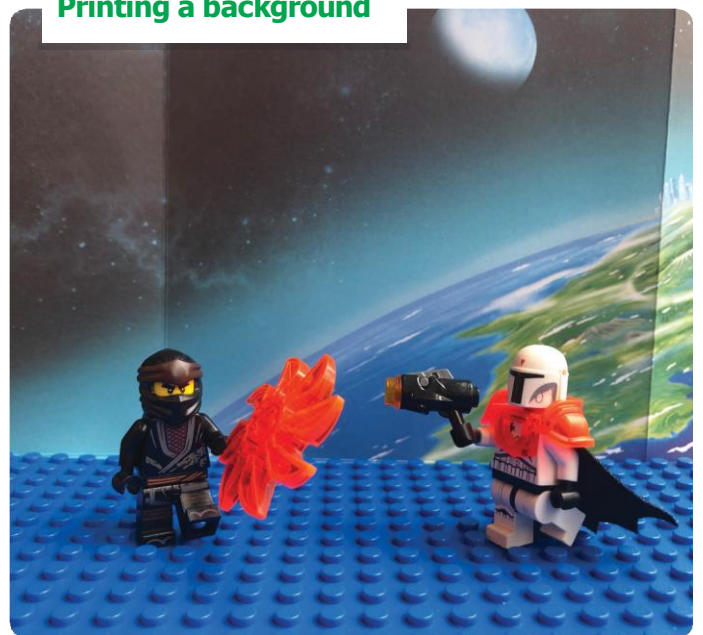

Using the box from a LEGO set

Designing your own background

Printing a background

# Story Board Template

Make a drawing in each box to show what will happen in each scene. Write in any sound effects in the line above the box. Write the dialogue on the lines below and any additional notes that might be helpful.

**Print out this page as many times as you'd like to create new stories!**
